

Hello Obesity SIG Members, and Happy (almost) Thanksgiving!

Please find below the Nov email newsletter from the Div 54 Obesity SIG Advocacy Committee. Remember to please contact us if there is anything in particular you would like to see!

**Committee Mission:** *to utilize the experience and knowledge of Obesity SIG members, and other resources to promote learning how to advocate in various private and public arenas.*

**Our goal with these emails is that if you open just one link or attachment every month or so, you (and we) will grow a skillset to become strong health advocates.**

Happy birthday to The Obesity Society! ([LINK](#))

**Public Health and Knowledge Advocacy Tidbit**

Tackling Childhood Obesity with Advocacy ([LINK](#))

**Healthcare Bias Advocacy Tidbit**

Health Care Bias May Affect People With Obesity and Type 2 Diabetes ([LINK](#))

**Pandemic & Pediatric Obesity Advocacy Tidbit**

Obesity rates spike among kids during the pandemic ([LINK](#))

It might be uncomfortable to talk about. But obesity puts children at risk of severe COVID ([LINK](#))

**International Advocacy**

TEACHING people to cook is one of the best ways of fighting poverty and combating obesity, ([LINK](#))

**Funding Advocacy Tidbit**

New Research Center Measures Impact of Racism on Healthcare ([LINK](#))

**Education Advocacy**

Students, professor discuss connection between body image and nutrition ([LINK](#))
